

ACCEPTANCE LETTER

The title of the abstract: Identification of the entomological origin of European honey by high resolution melting analysis of a COI mini-barcode

Corresponding author: Mónica Honrado

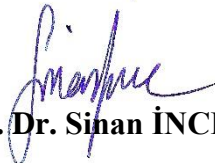

Accepted as: Oral Presentation

We are pleased to inform that based upon peer review of your abstract by the experts, the Scientific committee of the Congress has accepted your abstract at International Congress on Bee Sciences which is going to be performed on 16-17-18 June 2022 Online.

To award the participants of the congress, certificates for best poster and oral presentations has been pleased by the Organizing Committee. The decision will be made by the jury of the scientific experts. Presentations will be in English.

Presentations are advised to be prepared as PPT file type. The details about Poster and Oral presentations should be followed by authors in the web page of the congress. Your poster and oral presentations in ppt format need to be sent to the congress secretariat by <https://www.beeandlifecongress.com/> section up to 10-June-2022.

Sincerely yours,

Prof. Dr. Sinan İNCE
Congress General Secretary

Assoc. Prof. Dr. Ulaş ACARÖZ
Congress President
